2024 ANNUAL REPORT

OUR MISSION

To create and professionally support one-to-one mentoring relationships that ignite the promise in us all.

A Message From Our Executive Director

As I approach my one-year anniversary as Executive Director of Yavapai Big Brothers Big Sisters, I am proud of all we've achieved in 2024. With the support of our community, we've made significant strides in advancing our mission and increasing our impact.

This year, we saw a meaningful rise in community support, which allowed us to expand our programs and services. A highlight was the opening of our new youth mentoring room, creating a welcoming space for our matches to connect. We also introduced more match-focused activities and outings, providing valuable opportunities for Bigs and Littles to strengthen their bonds.

We redesigned key programs like Big Futures, offering our older youth the resources and guidance they need to succeed. Our presence in the Verde Valley also grew, ensuring that more children across the region have access to life-changing mentorship.

None of this would be possible without the incredible dedication of our team. Their passion and commitment to our youth are what make our work truly impactful.

Looking ahead, we are excited about our plans for continued growth and expanding our reach to serve even more youth. With your ongoing support, we will continue to make a lasting difference in the lives of the youth of Yavapai County.

Sincerely,

Kristin M. Kerns

Executive Director, Yavapai Big Brothers Big Sisters

This relationship has given Jax a foundation of trust and friendship that allows him to navigate the ups and downs of being a teen today with more confidence and resilience," shared YBBBS board co-chair and Gala presenter, Jonathan
